Dear Competitor,

Not a lot to say this year really. Another good turn-out, quite good running weather with a nice wind to push you up the Sugar Loaf, and a new record winner's time. Enough marshals for all checkpoints, and thanks, as always, to them all. Only minor blip was a few competitors got lost coming off Crug Mawr. Two failed to go through the checkpoint so, presumably, must have crossed private land and maybe climbed a fence but, fortunately, I have not heard of any damage or upset farmers. You know who you are, please don't

go through the checkpoint so, presumably, must have crossed private land and maybe climbed a fence but, fortunately, I have not heard of any damage or upset farmers. You know who you are, please don't do it again, it does risk the future of the race.

Lastly, it was interesting to note the number of people who lost places of the final descent, local knowledge obviously does help. Hope to see you all next year, or at our next race - the Coity Race on June 18th 7.30 p.m.
