COMMENTS

Dear Competitor, For 20 years now I've toiled up the punchbowl every March and it seems to get steeper and steeper, could it be getting older?? But looking at the results only 13 /44 competitors were not veterans or older: where are all the younger runners? It doesn't seem to stop people going faster and faster though. We had an amazing new record knocking a full 4 mins off his own previous record and breaking the 2 hr barrier for the first time on this new route with a head wind as well. The veteran's record was broken as well by 2 mins.

The turn out was a little low considering it was a welsh championship race but perhaps with another race the day before and the proximity of Easter it is understandable.

Apologies for those of you with families with regard to the ban on children from entering the bar. Believe me I've been trying for a year to get this ban lifted. The council have I gather now agreed to apply for a children's licence but it is taking a long time.

Hopefully it will be in place for our coming of age (21st race) next year, otherwise we will look for another venue.

The use of the minibus to the start seemed popular and will be repeated next year.

Some people suggested pre-entries would be helpful in that they could go directly to the start and would also enable us to send routes and details. This would be helpful to first time competitors.

We hope to see you all next year or at some of our other events:-

- athlon- 6Km run, 30Km cycle, 6Km run. Sunday April 18th
- Triathlon- 800yds swim, 27mile cycle, 8mile Fell run Sunday 16th May
