LOST PROPERTY- RON HILL WATERPROOF JACKET.

Just a quick note this year as we're off on holiday next week.

Sorry about the mist but it might have made some of you realise the benefits of a map and compass. It was a bit perturbing arriving at checkpoint 2, as a sweeper, to discover 10 people had not been through. However, all except one attempted to reach it albeit from all points of the compass. Two people missed checkpoint 3 and one person checkpoint 4. BUT you all managed the last two checkpoints. As none of this affected the main results and usually cost you a lot of time, I have left you all in the results. But please next year carry and use a compass.

Understandably, due to the bad visibility, times were well down this year but well done to all of you getting back safely.

Lastly, it would be helpful if people didn't leave it until the last minute to register as it causes everybody problems, but I guess 5 minutes late starting wasn't that bad.

Hope to see you all next year.
